By Matthew S. Kaufman, Latha Ganti, S. Matthew Stead, Nitin Mishra : First Aid for the Surgery Clerkship (First Aid Series) financial aid phd students eligible to work in the united states receive a research fellowship which includes an annual stipend 27000 for the 2017 18 academic internal medicine residency home page university of tennessee college of medicine chattanooga First Aid for the Surgery Clerkship (First Aid Series):

5 of 5 review helpful For the medical student a welcome alternative to Sabiston s or Surg Recall By katarinaism First let me state that I have in general been a fan of the First Aid genre I used First Aid for the Step 1 with favorable results I have First Aid for the Step 2 and am satisfied with it This book is not as strong as the aforementioned two titles but

as I alluded to in the title of this review The student to student step by step guide to surgery clerkship success There is no better way to ace the surgery clerkship exam and impress on the wards than First Aid for the Surgery Clerkship Completely updated throughout the Second Edition includes a guide to excelling in the clerkship a high yield review of core material common exam and pimp questions and a section of classifieds including scholarship opportunities About the Author Matthew S Kaufman MD is an attending hematologist oncologist at North Shore Long Island Jewish Medical Center in New Hyde Park NY Latha G Stead MD FACEP is Chair of the Department of Emergency Medicine at the University
