1 of 1 review helpful Not Recommended By Feebus I am currently a 4th year otolaryngology resident at a US accredited university program I purchased this review with the hopes that it would provide me with clinical ENT pearls that would better prepare me for the in service training exam I must say that I was severely disappointed The book does have many one liner questions followed by the correct and yes as others have s Why waste time guessing at what you need to know for the otolaryngology board exam Maximize your exam preparation time with this quick hit question and answer review The unique question and single answer format eliminates the guesswork associated with traditional multiple choice Q A reviews and reinforces only the correct answers you ll need to know on exam day Emphasis is placed on distilling key facts and clinical pearls essential for exam success Great for certifi About the Author Dr Mary Talley Bowden is affiliated with Memorial Northwest otolaryngology Head and Neck Surgery Associates in Houston Texas
