Review Surgery, 2nd Edition:

0 of 0 review helpful Five Stars By Ni Excellent 2 of 4 review helpful I made the mistake of buying this book when there weren't any reviews out there. By doctornewyork I scored in the 260s on Step 1 and wanted something to help me cut to the chase for 2CK studying especially since I have practically no free time to study read. There weren't any reviews for this book. Flashcards in a book provide a comprehensive yet concise review for the surgery clerkship. Maximum retention in minimum time. Drawn from the perspective of residents fresh from their medical school and USMLE experiences, these unique flashcards in a book help you remember high yield facts in the least amount of time possible and focus on what is essential for success on the shelf exam and the USMLE Step 2 CK. About the Author: Amit Tevar MD is currently an Assistant Professor of Surgery in the Division of Transplantation at the University of Cincinnati. He also is the director of Surgical Student Education, the Transplant Surgery Fellowship Program, and the Pa
