Pearson's Comprehensive Dental Assisting:

1 of 1 review helpful Great Help By Dalmae Dyer I love this book and it goes well with my Pearson's Textbook It's an asset to have and also allows you to think critically Pearson's Comprehensive Dental Assisting was developed with the needs of both the instructor and student in mind The information is presented in an extremely comprehensive manner by using a step by step competency based approach that covers all the facets of the dental assisting profession Written by authors who have worked in the dentistry field this book places the focus on learning both techn
