By Richard Rosner : Textbook of Adolescent Psychiatry (Arnold Publication) original article risperidone in children with autism and serious behavioral problems james t mccracken md james mcgough md bhavik shah md pegeen cronin get information facts and pictures about adolescence at encyclopedia make research projects and school reports about adolescence easy with credible articles Textbook of Adolescent Psychiatry (Arnold Publication):

Adolescent Psychiatry is the first text reference to provide such in depth comprehensive and practical coverage of this specialist area There are many questions pertinent to adolescence alone and these are highlighted throughout the book

Starting with the important aspects of normal development the reader is then taken on to risk behaviour and risk taking the special issues in adolescent psychiatry how to assess the patient clinical conditions treatment and fin The Textbook of Adolescent Psychiatry is an excellent resource for child and adolescent psychiatrists who are interested in focusing more directly on adolescent issues However it is perhaps more valuable to general psychiatrists who are interested in expandi
