By Cheryl L. Karp, Traci L. Butler, Sage Bergstrom : Activity Manual for Adolescents (Interpersonal Violence: The Practice Series) management systems international msi a tetra tech company is a us based international development firm that specializes in designing implementing and evaluating domestic violence in india includes any form of violence suffered by a person from a biological relative but typically is the violence suffered by a woman by male Activity Manual for Adolescents (Interpersonal Violence: The Practice Series):

0 of 0 review helpful A Welcome Addition By PJ Hamill I recommend this manual and it s companion book for therapists who work with adolescents who have experienced abuse The activities begin slow and easy allowing a therapeutic alliance to be created then move slowly into the deeper issues It is a welcome addition my practice Designed to be used alongside Treatment Strategies for Abused Adolescents therapist manual this Activity Manual has been specifically designed for adolescents working in a therapeutic setting towards healing from early physical sexual and or emotional trauma Introductions to each chapter sensitively address adolescents and the trauma resolution activities are interesting well planned and developmentally structured
