0 of 0 review helpful Wrong order By Customer I made a wrong transaction buying a kindle version book and actually I don't have kindle even I would like to cancel the order please and refund as my bank told me that the transaction has been approved. Regards Breast Surgery meets the needs of surgeons in higher training and practising consultants for a contemporary and evidence based account of this sub specialty that is relevant to their general surgical practice. It is a practical reference source incorporating the most current information on recent developments, management issues and operative procedures. The text is thoroughly referenced and supported by evidence based recommendations wherever possible, distinguishing 2010 BMA Book Awards Highly Commended Surgical specialties category. "Concise relevant information for any higher surgical trainee interested in breast surgery. The legal section will be extremely useful for trainee surgeons. This book c
