The Good Death: An Exploration of Dying in America:

3 of 3 review helpful From the personal to the political this is the book to read on death in America By Peregrinator I've been kind of obsessed with end of life issues since I was in my twenties and so have read many of the books that have come out over the years Recently Atul Gawande popularized the idea of The Conversation that difficult but necessary discussion we should have with anyone we love about what we Following the death of her father journalist and hospice volunteer Ann Neumann sets out to examine what it means to die well in the United States When Ann Neumann's father was diagnosed with non Hodgkin's lymphoma she left her job and moved back to her hometown of Lancaster Pennsylvania She became his full time caregiver mdash cooking cleaning and administering medications When her father died she was undone by the experience by grief ldquo Neumann takes an unflinching look at the reality of dying and end of life decisions A valuable discussion of the complex issues involved in end of life care rdquo mdash Kirkus s ldquo Readers seeking a refreshing examination of an ever
