transplants and research on anti rejection The Puzzle People: Memoirs Of A Transplant Surgeon:

4 of 4 review helpful Our generation benefits from Dr Starzl s hard work and research By Romina Wilcox A memoir that s written from the heart It s riveting from start to finish I applaud Dr Starzl s perseverance his kindness and his vision Through test and trials he encountered many tragedies failures risks and ultimately successes In the end we owe it all to this great man I could only wish I could thank Given the tensions and demands of medicine highly successful physicians and surgeons rarely achieve equal success as prose writers nbsp It is truly extraordinary that a major international pioneer in the controversial field of transplant surgery should have written a spellbinding and heart wrenching autobiography Thomas Starzl grew up in LeMars Iowa the son of a newspaper publisher and a nurse nbsp His father also wrote science fiction and was ac From Publishers Weekly Powerful poignant deft this memoir in itself serves as a masterful argument for organ transplantation as Starzl a retired pioneer in the field re creates the intricate history the stunning breakthroughs and the tragic failures of the
