By Alberto M Marchevsky MD, Bonnie Balzer MD PhD, Fadi W Abdul-Karim MD MEd : Intraoperative Consultation: A Volume in the Series: Foundations in Diagnostic Pathology, 1e Intraoperative Consultation: A Volume in the Series: Foundations in Diagnostic Pathology, 1e:

0 of 0 review helpful I really really really liked this book By Ghassan Tranesh MD Simply amazing This new volume in the Foundations in Diagnostic Pathology Series is a highly practical and easy to use medical reference book for effectively approaching intraoperative consultations Ideal for practicing pathologists and their surgical colleagues it describes the most efficient way to handle specimens how to focus on the differential diagnosis and the best methods for reporting findings I am utterly confident you will enjoy this e This is well researched well organized and highly

authoritative book with contributions from the world's leading men and women in their respective specialties and subspecialties and edited by four of the world's most respected experts
