Making Study Guide for Medical-Surgical Nursing - Revised Reprint: Patient-Centered Collaborative Care, 7e:

11 of 11 review helpful I want my money back By A Stone I ordered this study guide because I was having a difficult time in my Med Surg class The textbook doesn't really contain a lot of practice questions so I wanted to get this study guide to help me study for our exams While it is filled with lots of questions the answer key is wrong quite a bit I don't have time to constantly double check and make sure that the Designed to accompany Ignatavicius and Workman's Medical Surgical Nursing Patient Centered Collaborative Care 7th Edition this study guide helps you understand and apply material from each chapter in the text and gives you added support as you learn to make safe and effective clinical decisions Study review questions provide a review of key content using a variety of question formats including a high percentage of questions in traditional
