By Thomas E. Rohrer MD, Jonathan L. Cook MD, Tri H. Nguyen MD : Flaps and Grafts in Dermatologic Surgery: Text with DVD, 1e Flaps and Grafts in Dermatologic Surgery: Text with DVD, 1e:

1 of 1 review helpful Good book By Pete17 Comprehensive text nice photos I e quite a few books on facial flaps this covers things well practical points on getting things tight from an experienced author 0 of 0 review helpful flaps and Grafts exceptional description By reader Tis book is the singular authority on learning or reviewing flaps and grafts Descriptio Authored by experts in the field this brand new reference presents a systematic approach to which flap or graft to use in which clinical situation and how to cut and move the skin More than 350 full color photographs and line

drawings offer you step by step guidance And a DVD containing high quality video clips demonstrates reconstructive procedures including cutting positioning and suturing of flaps and grafts Includes numerous reconstructive options for What makes the editors approach so very unique is the inclusion of extensive high resolution narrated video to illustrate in detail the techniques described in the body of the text This is a three dimensional process nearly duplicating the experience of st
