By Michael S. Manley, Leslie D. Manley : dentEssentials: High-Yield NBDE Part I Review (Kaplan Dentessentials) dentEssentials: High-Yield NBDE Part I Review (Kaplan Dentessentials):

13 of 13 review helpful Great for quick review By S Amaro I haven t taken the boards yet but I really like this book for quick review It is surprisingly comprehensive If you need something with more explanations it s not a good choice but if you want something that focusses on tested topics this is great I would also HIGHLY recommend the dental

decks Revised I have taken the board For first and second year dental students dentEssentials is an invaluable go to companion for use with textbooks and course materials With more than 80 illustrations this book provides broad instruction across multiple disciplines in a thorough compendium of all dental matters dentEssentials organizes its material into three sections general principles of basic science organic systems and dental anatomy The book uses bold charts pictures diagram About the Author Kaplan Medical the leader in health sciences test preparation offers a wide range of options for boards preparation including live lectures video lectures books and online products All courses and products are focused on providing the mos
