By Michael DeHaan : Hands and Heart: Stories of General Surgery these 1000 plus quilt block patterns will all link directly back to their creator and source of the design i have been collecting these for a year now and they come open heart surgery is when the chest is cut open and surgery is performed on the muscles valves or arteries of the heart learn about this complex procedure Hands and Heart: Stories of General Surgery:

2 of 2 review helpful A Surgeon with a Heart By Karen B The book is quick reading Dr DeHaan obviously puts his heart and his soul into the care of his patients and it shows in the anecdotes Each patient has his or her own story and Dr DeHaan is able to personalize his approach depending on patient characteristics The book is good for medical and non medical people because he explains things in non medical terms Hands and Heart is a collection of sometimes extraordinary often heartwarming stories of dedication heroism stress exhaustion joy and occasional defeat The book takes you along on a journey of everyday life as viewed through the eyes of a general surgeon As I entered I could hear the faintest breathing from the patient As the anesthesiologist quietly confirmed my suspicion that he could not get the breathing tube in the patient took his last breath and pa
