By Rupa Vedantam : Emergencies in ENT treatment of oncologic emergencies mark l higdon ltc mc usa martin army community hospital family medicine residency program fort benning georgia our centre at g chee ear nose throat sinus and dizziness centre we aim to provide excellent tertiary level care for all ent problems founded on evidence based Emergencies in ENT:

This practical handbook adopts a unique symptom wise approach to the commonly encountered emergencies in ENT. The author has largely drawn from her own experiences of working as an ENT specialist in both a tertiary care centre as well as a secondary care hospital. The emphasis is on accurate bedside history taking and examination for making a diagnosis. Where applicable the abnormality to be identified on an X ray or CT scan has been highlighted and illustrated. The accuracy
